Proper complaints to agencies? You call "spinlyme@xxxxxxxxxxxxxxxxx, scilyme@xxxxxxxxxxxxxxxxx" proper agencies?

You don't scare me the least bit. Go ahead. get me for slander (which by the way Ms. Bionic Law, is defamatory assertion expressed in a transitional form of speech...and it has to be a lie, that changes your impression of character. Based on what I've seen here on the board, you are not held in high esteem – and it's probably due to your abrasive and ignorant character flaws.

How the heck would you know what I am saying??? LOL

Also, libel is much different. Libel means I am spreading lies about you to defame you. Which I'm not. Number one, you defame yourself everytime – almost – you write. Number two, Nothing of what I've stated is a lie.

So...sue away. I could use more publicity. LOL

ps. Maybe I'll shiver and hide behind Yale in court.
