Kathleen it is you who endlessly repeats your lunatic ravings. You have posted what amounts to the same exact crap for years now.

Instead why don't you ANSWER THE FREAKING QUESTIONS I POSTED?

Suggestion: Hold your breath until it happens.

The FBI (part of the DOJ) returned your CRAP to you. YOU suggested people call. That's the answer. There's no investigation.

Oh really? I heard you did have some kids. Gee let's see if I can remember what happened to them? Oh yeah the DCF rescued them from your abuse and neglect. What are you doing to get them back? HmMMM Straightening out your life? NOpe. Getting the psychiatric help you so desperately need? nope obviously not. Working with lawyers following their advice? Nope.

Oh yeah—you post 24 7 365 the same endlessly repeated lunatic ravings.
