Anyone who thinks poor, poor Kathleen has been a "victim" in this whole deal should take a goood look at what's transpiring here as an indication of some larger issues.

Clearly, she knows that posting as "Chuck" or "Chuck P. Adams2" is wrong and could potentially result in a loss of her posting privileges.

Apparently, however, she is unable to control herself. Can't stop her herself. Like a bull, she will charge at a red target, even knowing that there may be a sword behind the cape.

We call people like this..."fools"...or, alternatively, "guests" of the State of Connecticut.
