#### ANSWER THE QUESTIONS KATHLEEN

Let's see how you like it kathleen EVERY time you post, I will change the title of the thread and I will post these questions until you answer them one by one and answering them means NOT talking about McSweegan or former Governor Rowland and all your typical diversionary crap anyway.

PLUS you are cross posting ONCE AGAIN TOTALLY OFF TOPIC and you're selfish to do this to one newsgroups CRIMINAL to do it to multiple newsgroups—yes here is your "crime": You are preventing people who need help from getting help for your selfish personal reasons that you are so completely egocentric along with delusional paranoid schizophrenic with psychotic features that you just can't see past your own twisted delusional psychotic personal agenda—which ought to be about getting your kids back and solving your own enormous problems in life instead of trying to solve anyone else's. By preventing people from getting help you are responsible for the consequences. Surely people are dying as a result so you are a murderer (trying out a little kathleen "logic" here. So you are now being reported to the DOJ FBI and

CIA and WHO and UN and DCF and the federal and state courts and homeland insanity department and all over the planet as a murderer.

How do you like them apples?

Now answer the questions. And stop the off topic cross posting. Answer the questions TRUTHFULLY for a change. Focus on the question. If there's a question YOU don't understand which is hard to believe given your self declared genius IQ, let us know and we'll rephrase it.

Don't LIE as you do and don't try your diversionary tactics. Ignore this and I will keep reposting it kathleen. Not only that but your silence will be construed as admissions to all OF the facts listed as questions.

PS: This is NOT "taunting" You have put your credibility at issue. You have repeatedly said that you NEVER lie. We deserve the answers to these questions. Straight answers.

REPOST:

[http://groups-beta.google.com/group/sci.med.diseases.lyme/browse\\_thre...](http://groups-beta.google.com/group/sci.med.diseases.lyme/browse_thre...)

Nope we're talking about YOU. ANSWER THE QUESTIONS

And come back and tell us when Steere or McSweegan or anyone else is actually charged with your "Lyme Crymes" instead of telling us what you, in all your infinite wisdom, think will happen.

Now let's talk not about who WILL be convicted but WHO already has been--YOU.

Here's the question list. One by one give us some answers. Your post is just like the Bush White House trying to DIVERT attention from what Karl Rove did to Joe Wilson--by attacking him AGAIN.

Nope answer the questions kathleen. Stop trying to change the subject.

I know you're delusional but try to focus. Here is a list of questions for YOU. We've already heard your ramblings about 100,000 times. Now dish some TRUTH for a change--I'm going to leave space between the questions for your answers:

Was your case appealed and was your conviction overturned?

You CLAIM there is a court Order prohibiting you from criticizing the government. Post it!

And what isn't true? Everything can be backed up with your own posts kathleen. Not a big secret how people know since you posted it all here.

Were you charged with and convicted of threatening and harassing Jessica Gauvin?

Did you flee to Canada?

Re: KATHLOON wants control of the internets! BUT SHE'S A FELON LIAR TERRORIST MONSTER MOM

Re: KATHLOON wants control of the internets! BUT SHE'S A FELON LIAR TERRORIST MONSTER MOM FRAUD AND W

Did you tell everyone that your case was a custody case against DCF when the truth was that it was a criminal case against you and your kids had been taken away many months earlier and you didn't even appeal that?

Did you threaten to bomb the stonington schools, joke or not?

Did you show up at your kid's safe house with a bag full of drugs whether you meant to give them to your lawyer or not?

Come on specifically what isn't true?

You were charged tried and convicted in a court of law. Right or wrong, admit or deny?

Now you say you've proven you're innocent.

In what court were your convictions overturned?

In fact, tell us what the charges were. Give some detail. What exactly were you convicted of doing or threatening to do to Jessica Gauvin?

Tell us what your diagnosis was in the mental institution?

You admit or deny that your kids were taken away by child services in CT?

Admit or deny you were charged with crimes?

Admit or deny you fled to canada?

Admit or deny you were convicted?

Admit or deny you were institutionalized in a mental ward locked wing?

Re: KATHLOON wants control of the internets! BUT SHE'S A FELON LIAR TERRORIST MONSTER MOM

Re: KATHLOON wants control of the internets! BUT SHE'S A FELON LIAR TERRORIST MONSTER MOM FRAUD AND W

Admit or deny that your convictions were never reversed, in fact you never filed an appeal did you?

So who's lying about what?

Yeah sure, you say everyone lied about the charges. But that's not what the court thought was it?

Did you register a website claiming on it you were working for Pfizer at the time when you had "retired" years before?

Was Lymeraft which solicited funds for YOU, ever a proper legally registered charity?

Kathleen you're the liar here.

Do you really expect everyone to believe that the rest of the world is crazy, not you?

And that the rest if the world has conspired to frame you? Because of your lyme activism which you have even admitted amounts to more posting on the internet than any real accomplishments?

[http://groups-beta.google.com/group/sci.med.diseases.lyme/browse\\_thread/thread/961a6d2015746801/41df41b82df2d](http://groups-beta.google.com/group/sci.med.diseases.lyme/browse_thread/thread/961a6d2015746801/41df41b82df2d)

Come on kathleen. What isn't true specifically issue by issue above.

Tell us specifically which items you say aren't true. We can go back and find the posts where you admitted stuff and show what a liar YOU are!

And see kathleen's post advocating cyberterrorism:

[http://groups-beta.google.com/group/sci.med.diseases.lyme/browse\\_thread/thread/f4f83960053d8933/cbae392e9ba84](http://groups-beta.google.com/group/sci.med.diseases.lyme/browse_thread/thread/f4f83960053d8933/cbae392e9ba84)

This is a federal crime. A SERIOUS Federal Crime. So do what you think is right! By the way this is almost certainly a violation of her probation/parole.

National White Collar crime center:

The FBI plays two very important roles in cyberspace. First, it is the lead law enforcement agency for investigating cyber attacks by foreign adversaries and terrorists. The potential damage to the United States' national security from a cyber-based attack includes devastating interruptions of critical communications, transportation, and other services. Additionally, such attacks could be used to access and steal protected information and plans. The FBI also works to prevent criminals, sexual predators, and others intent on malicious destruction from using the Internet and on-line services to steal from, defraud, and otherwise victimize citizens, businesses, and communities.

The mission of the Cyber Division is to:

coordinate, supervise and facilitate the FBI's investigation of those

federal violations in which the Internet, computer systems, or networks are exploited as the principal instruments or targets of terrorist organizations, foreign government sponsored intelligence operations, or criminal activity and for which the use of such systems is essential to that activity;

form and maintain public/private alliances in conjunction with enhanced education and training to maximize counterterrorism, counter-intelligence, and law enforcement cyber response capabilities; and

until such time as a final decision is made regarding the future role and location of the National Infrastructure Protection Center (NIPC), the FBI will direct and coordinate the Center's mission to protect the Nation's critical information infrastructure and other key assets.
