BUSH PROTESTING MOM CALLS FOR 'ISRAEL OUT OF PALESTINE'; VOWS NOT TO PAY TAXES

Anti-war protestor Cindy Sheehan, whose soldier son Casey was killed in Iraq, is calling for Bush's "impeachment," and for Israel to get out of Palestine!

"You get America out of Iraq and Israel out of Palestine and you'll stop the terrorism," Sheehan declares.

Sheehan, who is asking for a second meeting with President Bush, says defiantly: "My son was killed in 2004. I am not paying my taxes for 2004.

You killed my son, George Bush, and I don't owe you a penny...you give my son back and I'll pay my taxes. Come after me (for back taxes) and we'll put this war on trial."

"And now I'm going to use another 'I' word - impeachment - because we cannot have these people pardoned. They need to be tried on war crimes and go to jail."

The 48-year-old California mom remains tented up in a ditch along the one-lane road that leads to Bush's Texas ranch.

As her protest entered its second week, hundreds of people with conflicting opinions about the war in Iraq descended on the area.

TIME mag reports in new editions on Monday: Sheehan gets support from her surviving son, Andy, in principle, but he recently sent her a long e-mail imploring her, "to come home because you need to support us at home."
