I REALLY wish you would have the courtesy and decency to keep your religious views OUT of these "discussions".

Otherwise, others, like myself, who are OFFENDED by your persistent assault...will respond, and yet ANOTHER non-Lyme sinkhole will materialize on this board.

But just out of curiosity...how is it that you manage to reconcile your repeated accusations of others being "afraid of strong women"...

....and apparently pay subservient homage to misogynistic no-women need apply homosexual pedophile priests who smell of fish and little altar boys?
