Very appropriate since YOU are the middle of nowhere, your "life" is the middle of nowhere.

Do I care?

Oh poor poor Brucie.

You know, many people who live in much more populous areas have to drive just as far. And don't get IV.

So what the frack are you constantly whining and complaining about?

And what is all this RIDICULOUS HISTRIONIC NONSENSE about this all being "the worst scandal in the history of the United States?"

You REALLY have absolutely no perspective whatsoever.

Self absorbed, whiney, self pitying.

Disgusting.

Re: Oh Poor Brucie! LOL Miserable POS

So all you do is blather non stop on the internet? Sort of reminiscent of others, like kathLOON.

God they must dread your visits.

Thank god!

I THOUGHT I might have met you recently. Turned out I had just stepped in some dog shit. LOL

Uh gee. What you post is enough to make me sure I would never want to meet you. You racist homophobic anti semitic abusive asshole.

So what's the point? Are you saying if we met you, we'd LIKE you? LOL Poor misunderstood Brucie!

You have about ZERO self insight. You're one of the most arrogant egotistical self absorbed assholes in history.

Gee I just thought it was a paranoid schizophrenic thing! Go figure!

I bet you would. You're such a freaking computer genius, you can't figure out how to register more than one name?

Doesn't self involved count?

What, such as suicide bombings/murders?

Or spouting HATE towards homosexuals, people of color, jewish people, muslims (gee there's only two billion of them in the world), and otherwise demonstrating all your tactics for winning friends and influencing people?

Or what? Supporting INSANE people filing bogus frivolous ridiculous lawsuits?

Or "engaging" with the conservative mainstream researchers by calling them FRAUDS AND LIARS, as you do to ANYONE who DARES to disagree with your histrionic screeds?

What other brilliant approaches would you employ? (a rhetorical question PLEASE don't bother to waste the ether of cyberspace with an "answer")

How incredibly histrionic and absolutely insane.

Bruce, perhaps I forgot to tell you recently, why don't you GFY.
