Tell you WHAT, Kathleen?

You don't listen to anyone...what earthly good would it do?

You didn't listen when the lawyers told you not to try to pursue it...you said they had "no nads" and they weren't "scientists".

So you decided to be the big HERO and grab the ball and run with it yourself.

And NOW...it is someone else's fault, no doubt.

Well, you really did it this time...you didn't listen to the JUDGE.

And NOW it's time for...BUH-BYE...case dismissed. Nice work.

Haven't you learned your lesson YET?
