Hey, honey...we HAVE been telling you about it...for TWO YEARS now.

YOU don't listen.

Even warned you that you hadn't complied with FRCP 8 before the Judge did.

But...actually lucky for you in the long run that you are going to get dismissed because it will save you from the embarrassment of having to try to explain why it is that you can't get a fair hearing in Connecticut...

....WHILE YOU HAVE A LAWSUIT PENDING THERE...WHICH YOU FILED.

Oooops.
