>>From what I read they are disputing the numbers of dead which may very will be true. The winners of the war get to write the history. They also dispute the gassing. Hell I'd rather be gassed than starved or beset with typhus. Hitler hated Jews but he killed lots of folks besides jews. Frankly I read enough and will comment no further on this.

btw

Nice post Mockingbird, how come you do not speak out about BigPharma who are letting people rot from disease because a cure would hurt the bottom line. We have our own evil in this world, at this time. No need to look in the past.
