Oh...I see! So...you think she SHOULD be locked up.

Anyone actively supporting terrorism should be locked up.
I have *very* right wing ideas about things like illegal immigration and even legal immigration, and also about aiding and abetting terrorism.

Supporting terrorism = getting expelled. If you can't be expelled you should be locked up in jail or in an asylum.

Lisa claims 9/11 was done by Arabs with boxcutters. By supporting that conspiracy theory, she is supporting the real terrorists who did it (PNAC operatives).

Kathleen knows what I mean. She's usually right when it comes to Lyme and political issues and acts of secret-government sponsored false-flag terrorism.

I mourn the victims of 9/11 and pay my respects to the heroic firefighters that perished that day.

May God help the people of the United States against their secret government.

May true American patriots wrest their country out of the claws of the bankers and the military-industrial complex and let America once again be a beacon of liberty to the world.
