Hmmmmm.....I did a double take when I realized this was not being funded by the CAM office at NIH.

Lotsa dollars for prevention, none for treatment.

HEY, Lou...old buddy...nice to see you pop your girlish little head back in here.

Did you happen to come back in here to APOPLOGIZE?

Or...did you happen to waltz back in here to explain WHY you accused me of "disrupting discussion boards" all over the internet? Explain to people WHY you decided to attack me for no reason whatever?

Yeah...didn't think so.

That's the calibre of some so-called "Lyme activists"..."I accuse"...I don't bother with facts or evidence.
