Oh, Good. Now I don't have to write it myself. "Imagine George W. Bush taking the stand in The Hague, following in the footsteps of Slobodan Milosevic. Imagine Richard Cheney, Donald Rumsfeld, and Condoleezza Rice imprisoned. Imagine." (article below)

WAR CRIMES 101--How George Bush Admitted His War Crimes-- and How Edward McSweegan spilled the beans on the Navy us

There's a lot more international crime where that came from, and this has been going on for years. I'll just mention briefly:
