"Chuckie" no get "Lucky"?

What are you trying to say Chuckie? Don't choke on your tongue, spit it out.

just kidding...I think I've had my fill of attention today. at least I didn't post a bunch of obituaries to accomplish that.

You are mocking the sick.

HEY! STFU, you MORON. What are YOU doing here? By your own admission, you don't have Lyme...and you sure as hell don't know the first damn thing about it...so why don't you stop your imbelic, laughable attempts to preach to us, you half-witted sack of babbling, oozing watery crap?

You don't have a clue about what you are even talking about...and apparently not bright enough to see what he was doing.

This board was being inundated with death notices...this was supposedly being done to raise awareness...but those of us who might be at risk don't exactly appreciate it.

RAPED A MUPPET-LIKE ALIEN IN ITS FOURTH ORIFICE ON THE SET OF SESAME STREET IN 1968 AND THE ALIEN

So, I assume the response here was in PROTEST.

Unfortunately, some have the distorted view that whoever dares to disagree with their holy, self-righteous self-appointed, self-annointed crusade is a 'troll'.

Are you making intelligent conversation, are you debating the facts?

Answer:

No, you are being a bleephole.

A "bleephole"? LMAO! (Irony noted...while accusing the poster of not addressing substance, the MORON calls him a "bleephole").

You mean, an "ASSHOLE"?

Don't you know what that is? If not, go look in the mirror, Mr. "Certyaxone"...and...while you're at it...

...GFY.

Really.

Sucking up to mentally-ill chicks trying to get laid is really just appallingly disgusting.
