Next-door neighbor lost two horses, years apart. He and my husband "cremated" them, for lack of a better term, diesel fuel, brush, treetops over them and lit a match.

I can see why that is not a good idea. It was not a pleasant process.

>Yes, I was referring to farm animals..not sure about small pets. Politics
>or whatever, I guess. My brother has a creek that runs through his farm and
>he just finished his compliance with an upcoming deadline that says live
>water must be fenced off to keep farm animals out of it. Of course beer
>cans and other debris floating by is just fine and dandy. He and my SIL
>were mortified when my Mom passed away and out by their driveway was a dead
>big ole Holstein cow with all four legs pointed to the skin, bloated ready
>to pop, waiting for the "dead wagon" to pick her up. Heaven forbid they
>cremate her. I'm not sure if this stuff is county, state or federal.
