can we change
the subject now?

I love not having to drive to work, being able to water my plants or make a pot of coffee at will, and just plain being at home! I don't like the fact that I don't get out and meet people and feel very isolated sometimes.

>

Marine biology was what I *thought* I was going to go into when I was in high school, but life had other plans for me. Now, I'd have to give it some thought.

> *LAST QUESTION: WHAT ELSE WOULD YOU LIKE TO TELL US ABOUT YOURSELF IN 100 WORDS*

> *OR LESS? I like outdoors—type of stuff a lot; spend a lot of time gardening, birdwatching, and love walking in the woods and on the beach. I like classic rock music but don't like the stereo turned up loud. And after being separated for 2 years, I'm finding out that it's OKAY to be alone and have things the way *I* want them! :-)*
