Boy, I don't feel this way at all. I think it comes under the heading of common decency to own up to your opinion. If you don't like confrontation, keep your mouth shut.

It is a little like a dog who runs up behind somebody and bites them on the arse and runs off, to me.

*>People are not comfortable with confrontation. It's called being  
>human. It is fine for me and I don't care what name they post under. I do  
>not  
>profess to want to make people change their personality just to fit my  
>preferences.*
