*>Even more remarkably, it didn't rain here yet today. We've had wet, wet,
>wet weather with hot temperatures. Ick. Today, it's cool, dry, and I have
>the AC off and the windows open.*

Isn't it wonderful?!?!? Saturday was the first day without rain in MONTHS!!
Sunday was the second and absolutely gorgeous weather. Today it was 56 degrees
a little before 6AM and the high for today is supposed to be in the mid-70s.
Considering we had a heat index of 86 degrees at 11PM last Wednesday night, I
am soooooo excited about the cool, dry weather!!
