Dani, the following is what Netflix charges. Since I love movies, I bumped up to the 5-at-a-time Unlimited plan about a month or so ago. Right now I have two of the five DVDs waiting to be watched perhaps today, one being "I, Robot" that I hope won't disappoint me.

2-at-a-time, 4 rentals per month: \$11.99/month

3-at-a-time Unlimited: \$17.99/month

5-at-a-time Unlimited: \$29.99/month

8-at-a-time Unlimited: \$47.99/month
