Vickie, anything less than a win is not doing good AFAIC. Reid had a problem with time management, and McNabb seemed a bit overwhelmed. I'm really tired of the old Philadelphia mantra, "Wait til next year." There was no reason they should not have won that game as they were evenly matched. This is a city of fanatic sports fans who really deserve more than they've been getting from all the teams. We're very depressed today, and having two contractors and a plumber gutting my kitchen (attached to my office) today is not helping. But thanks for the kind words anyway.
