I'm more a fan of Kevin Costner directing a movie than of him IN the movie, but I liked "Dances with Wolves" and "The Postman" in spite of the fact that he was the lead role and he can't act. I liked "Bull Durham," "Field of Dreams" and "For Love of the Game," and "The Untouchables." I saw an HBO special on the filming of "The Upside of Anger" and it looked very good but I haven't seen it yet.
