| They are overpriced, but don't you wear the medic
| alert device around your neck for easy access? If
| you are truly having a medical crisis, you may not
| be able to crawl to the phone.
|
New cell phones are almost as small and can be kept either in
one's pocket or on a belt pouch.
```

Eliyahu

Of course you're right. Don't know how I missed that obvious option.
