Freezing to death?!?!? What kind of sailors are they kicking out these days? It's only in the 50s!! Of course it is damp and windy and even I've been complaining, but....

BTW, if she needs or wants off the base for Thanksgiving, I have room. I've got about 20 people coming so a couple more wont hurt. I'm still trying to wrap my head around the fact that my son wont be here for the holidays :( "Anne Vasquez" <[annevasquez@xxxxxxxxxxxxxxxxxxxx](mailto:annevasquez@xxxxxxxxxxxxxxxxxxxx)> wrote in message [news:aWoef.15059\\$D13.9561@xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx](mailto:news:aWoef.15059$D13.9561@xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx)
