<http://www.branson.com/>

I don't know why I'm even putting my two cents' worth in. But it's not like Branson is some little two-bit town with nothing to do. Anyway, I'm bowing out of the conversation anyway, as there's no way it'll be in Branson, St. Louis, Nashville, or Louisville, which would be the only places I could possibly afford to go anyway..... have fun everyone.

Dani
