Now, see. . . *this* is what I figured the club membership would eventually turn into. . . One by one, we accept the invitation to the spare BR and before we know it, she'll have us working for her—and keeping 90 percent of our take. Those of you who don't already give \$300 BJs will get suckered twice because she'll have you paying for lessons first. (Is this how Heidi Fleiss got started? Might be a cautionary tale there.)
