"Kathycarp" <kathycarp@xxxxxxxxxxxxxx> wrote here for all to see news:C9GdnTrE1_cWDo7ZRVn-pO@xxxxxxxxxxxx:

Oh man, that was confusing. So many to choose from! And no prices are posted. Is there a way to find the price? We don't have a Sam's Club in Oregon, just Costco, and I can't find it on their website – just the accessories.

I think you just click on the item to find the price or add it to your cart and it will show you the price. YOU can do that without any obligation to buy :)
