But so many "christians" do just this. They claim one thing, but then if anyone "judges" them on breaking God's law (clear word not minor stuff), they turn around and call them judgmental.

Ed Chait wrote:

The problem with me thinking that everything issue is a shade of gray is that I can then rationalize and justify pretty much anything I want to do.

I believe a lot of the ills of our current society are due directly to that kind of thinking.

Everybody goes around saying "it's all good" these days.

It most definitely is not all good.
