Gary's already having a heart attack about us going to Cuba. I don't know if he'd think Egypt was any better. But, yes, I'd love to. However, Josh has to go with us to Egypt and Israel. He wouldn't let me go without him!

Definitely go to Egypt if you can. The sight of the pyramids is something I just can't describe, and The Valley of the Kings. Oh my, I'd go back in a second if I had the chance. Israel, too.

Should we give up on Cuba for right now? I am up for Egypt and Israel.
