Wow. What a place. Thanks to Janice for letting y'all know that I was alive and well and enjoying myself. Maybe I'll find time to post my pictures. Right now I'm dealing with a seriously "out" back --- traveling by train, lifting and schlepping, sure took its toll on me --- but I also got one of those great head colds that you only get after long airplane rides. So I'm stumbling around in a fog, looking at a ton of left-over work and wondering where to start. More soon....
