JulieW8 <seemysig@xxxxxxxxxxxxx> scribbled while perusing
news:v9kpl29tp19c2jagk2fqs2q4bc8lmhme35@xxxxxxxx:

I don't feel it's
necessary for me to take on the liability of sharing responsibility
for the accuracy of the medical record in order for me to prove my
importance.

Julie worded what I was trying to point out to begin with.
