THIS CAN REALLY MAKE YOU EASY MONEY! BUT YOU HAVE TO TRY A LITTLE FOR IT TO WORK!

This is your ladder to success, happiness and luxury. Now you can get anything that you had dream of getting. Get yourself involved and reap the rewards on becoming a millionaire. A few weeks back, I was browsing through newsgroup, just like you are now and came across an article Similar to this that said, you could make Lakhs of Rupees within weeks only an initial investment of Rs.60! So I thought, "OK, right, this must be a scam", but like most of us, I was curious, so I kept reading. Anyway, it said that you send Rs.10 to the Main Database Address stated below and to each of the other 5 sub addresses stated in the article. You then delete the Name and address in the #1 and move the other four addresses up, that is 5 becomes 4, 4 becomes 3, 3 becomes 2, 2 becomes 1. Now #5 will be blank.

Place your own name and address in the bottom of the list at #5, and post the article in at least 200 newsgroups. (There are about a million) No doubt, that was it. So after thinking it over, I thought about trying it. I figured what have I got to lose is just 6 stamps and Rs.60, right?

Then I invested the measly Rs.60.Well GUESS WHAT HAPPENED!. Within 7

days, I started getting money in the mail! I was shocked! I figured it would end soon, but the money just kept coming in. In my first week, I made about Rs.250, which is four times the money I invested. By the end second week I had made a total over Rs.4,000 In the third week I had over Rs.36,000.00 and it's still growing. This is now my fourth week and I have made a total of just over 2,12, 000.00 and it's still coming in rapidly. Its Certainly worth Rs.60, and 6 stamps, I have spent more than

60/- on many unwanted, but I never got anything back Let me tell you how this works and most importantly, why it works. Here is a Step by step instruction of what you have to do.
