Pray tell exactly what does it get a black person to remain angry over injustices done 100 years ago. ýDon't bother saying they don't because they do (Wright).

Prejudice is everywhere for all colors and conditions. ýPeople who aren't as good looking, people who are overweight, people who are poor, people who smell different, people who are shorter, people with buck teeth; you name it, there is prejudice against them. ý

That's true. I sometimes purposely dress in sweats and a T-shirt when shopping at a higher-scale store just because I know the salespeople won't beg to help me and actually avoid me, and because I don't care what THEY think of me or my financial status. lol.
