> *From what I understand, the upcoming Howlerfest, the annual*
gettogether of talk.origins pseudoscientists from points far and wide,
will be held in New York City in a few weeks -- with a name change..

>
As always, the boys will dine together on a menu that, for the 17th
consecutive year, will feature a variety of pork, prepared by the
staff of Ediacara U..

>
John Wilkins will pork Augray, Catshark will pork Attorney David
Sienkiewicz, and Stew Dean and Matt Silberstein will take turns
porking each other.

>
Consequently, they are seriously thinking of renaming it the Porkfest.
