yeah? one almost got me into a hole in the ground

and another gave me stuff that was like bad acid

others don't believe in Schedule II, only naproxen

and still another would like to see what death from  
benzo withdrawals would look like. that ain't pretty

I've hozed Mr. Death off a couple of times and ain't  
been pulled over by a cop in a decade. no licence

but I ain't gonna push whatever luck I have left...
