My participation on Usenet is not about me. It remains my choice to serve Him, whom I love with all my heart, soul, and mind. He has taught me that those who want something from life will lose their life. Choose Christ instead and receive eternal life.

In men, there is sadness and death. In Christ, there is joy and eternal life. For He is the way, the truth, and the life.

You will be in my prayers, dear neighbor whom I love.

May Christ heal you as only He can.
