They are being taken care of. Visit any hospital emergency room in any border state, listen to the Spanish, notice the seating is filled by Mexicans, along with the standing room, and all at American expense.

> *As for pious and self-righteousness, you claimed that the Christian teaching about caring for the sick were alleged. I provided you the evidence to show that Christ said this. That's all.*

I doubt that Christ himself would approve of the scam perpetuated daily on Americans by Mexicans.
