Afraid of loosing control over your Zombies?

Here it is again!

Proof Medicine is Witchcraft in the Holy Scriptures.

This would include all laboratory made preperations and "medicinal plants" also.

Interesting: Evil Freemasons and Thelemites and other occultits in the United States Federal Government erased similar contents to what you see below from the servers of Usenet trying to protect the "staus quo" which means the "generally excepted view-point that is almost always wrong". It was these occultists in the United States Government that presured Bill Gates of Microsoft into giving the Federal Government a Back Door into everyone's computers and the internet to alter anything on any computer connected to the internet. This back door is now in the

hands of the occultists on the internet and I have seen the evidence that this is so.

The original word translated doctor or physician from greek in the Holy

Scriptures meant "healer" and they healed with Holy Spirit not Witchdoctor potions or drugs = medications = pharmaceuticals. The Almighty Father YEHOVAH will answer prayers to Him to heal you if you put full trust in Him to be healed and have patience. King Hezekiah in the Holy Scriptures was healed from a terminal illness gradually the Holy Scriptures says because he begged the Almighty Father YEHOVAH to heal Him.

Proof Medication is Witchcraft and Condemned in the Holy Scriptures

The word translated Sorcery in Revelation in the King James Bible is the Greek word "pharmachea" and this is the same word that the English word pharmacist comes from. In the New World Translation this word is translated Spiritism. If you look up in the Strong's Exhaustive Concordance of the King James Bible and refernece the word in the Greek

dictionary in the back it will say the word means; "Druggest, Poisoner,

Witch, Sorceror, Maggi. Mage, Wizard, Shaman" and this is the same word

that the English word "pharmacist" comes from and a doctor or a physician works hand in hand with the pharmacist. Especially dangerous today is the psychiatrist or the psychologist who prescribes drugs. YEHOSHUVAH ("jesus") spat out the drugged wine that the Roman's offered him as he was being impaled on the stake.

I posted similar info to this eariler and it was removed from the News Groups that i am posting from. Evil people do not want you to know these truths.

The word translated "Maggi" in the King James Version of the Bible means "oriental scientist" and the English word "physician" means "scientist". Of course Maggi are Witches or Wizards or Sorcers or Shaman and the Holy Scriptures makes it very clear that they serve Satan's interests. But they can repent! <http://www.watchtower.org>

See this link that psych drugs are poison from a venomous snake!

Below is what I left to a person on alt.freemasonry a place where occultits hang out who believe in magick = witchcraft.

The Un-Rev. 11D Meow! high preist in the Masonic Thelemic Church of the

Sub-Genius said: "Poisonally, I prefer Pop Rocks, thank very much."

If you really desire poison then drink your own semen because all occultists do that. If you willfully unrepentently practice this then you have truly damned. Consuming pharmaceuticals is no different then consuming semen because these pharmaceuticals sprung from the minds of those you practiced sex magick drinking semen. Pharmaceuticals = Medicine = Drugs is poison just like semen. Look the Baphomet is the medical symbol the caduceus. Notice the two venomous serpants wrapping his phallus and how his wings become the wings of the medical symbol the caduceus. Witchdoctors have always been highly respected men in their cultures among the pagans. Do you think it would be any different

among today's modern witchdoctors who are physicians? Adam and Eve did eat the apple which was sexual fluids and the poison really did kill them but Satan continues to promote the lie that you survive death as an immortal spirit. He promotes this lie along with his demons by pretending to be your dead ancestors and pretending to be "Ghosts". Semen is loaded with the biochemical substances of Putricine (or Putrecine) Spermidine and Spermine. Spermidine and Spermine are involved in Nucleic acid replication in the body and especially the brain. The brain is a DNA computer and all thought processes and memories are encoded on the DNA of every cell in your brain. The altered DNA of mankind from consuming the poison from the tree of the knowledge of good and bad Adam's Penis which was also the original serpent gave mankind the proclivity and drive to invent and construct things and delve into science. This poison knowledge of Satan is leading man into self destruction and collective suicide as he destroys

the very planet he lives on because all manufacturing processes are raping the Earth and creating pollutants that are destroying the very planet we lived on. Yes Satan's poison knowledge from the forbidden fruit is leading man into self destruction. And they do not have a good

heart to stop themselves because vaginal secretions and menstruation that occultists also consume in their sex magick rituals effect the heart and corrupt it. The only thing that can turn a man around and remove this Adamic sin is to fear the Almighty Father YEHOVAH and resolve in your heart to practice righteousness and accept His Male Offspring YEHOSHUAH as your personal Saviour for forgiveness of your sins. Say the prayer below that will change your life and lead in on the road to salvation.

Here is a prayer that will change your life and so you can get protection from the most powerful body guard in the universe. It is important not to replace the titles "Lord" and "God" with the Holy name

YEHOVAH when saying this prayer. And continue to ask for these things day after day to make sure you are protected and not blind in anyway.

Dear YEHOVAH Elohim heavenly Father All Powerful One who created all things. Please hear my prayer. I accept the sacrifice of your male offspring YEHOSHUAH for forgiveness of my sins. Please forgive me of all the bad things I have done in my life. Please fill me with Holy Spirit in the same manner as John the Baptist. Please make me do your will so I can endure to the end so I can be saved. I know I have free will but I give you permission to make me do your will because I want to live forever. Please lift my blinders so that I am not blinded by

Satan in anyway. Please lead me to the truth in all things. Please give

me true wisdom, true understanding and true knowledge. Please remove all the defilement from my body. Please give me a pure heart and a pure

mind. Please rewrite my heart and mind so that I love you compleately. Please may your Holy Name YEHOVAH be viewed as Holy before everyone. Please may your will be done on Earth as it is in heaven. Please protect me from Satan and his demons and bad people and those who serve

Satan and his demons so that they can not cause me harm or trouble for either me or my family. Please protect me from poisons and drugs and medications and chemicals that I unknowingly consume or are forced upon

me. Please guide me to the truth in all things. Again please forgive me

of all my past wrongdoings because I accept the sacrifice of your Male Offspring YEHOSHUVAH. Please give me faith beyond faith. Please give me

armors or righteousness. Please give me a sword of truth. Please give me the helment of salvation. Please give me the fruitages of the spirit. Please remove all the defilement from my body. I love you dear Father YEHOVAH. Again please make me do your will because I want to live forever. I pray these things through the name of your Male Offspring YEHOSHUVAH who died for my sins so that I can be saved when I

endure to the end. Amen.

At the link above it will show you who are responsible for the degridation of society and that is the Freemasons and other occultists and false religions like Jesuit Catholics who also promote pharmaceutical drugging of the people and have huge amounts of stock in the pharmaceutical industry.

Note to the argument that the "other sheep" or the "little flock" should be born again and are in the Kingdom but on Earth are also spiritual jews and should partake of the emblems. It may be argued that

there is a scriptures that says; "Flesh and blood can not inherit the Kingdom of God". To inherit means to take possetion (sic) as property from a Father. That can only be said of the 144,000 since they will be in charge ruling as Kings and Preists in heaven. But the Kingdom of YEHOVAH is both heavenly and Earthly and the other sheep will survive Armagedon and live forever on the Earth.
