I have had of the problems of understanding with Pritan's pride through theirs customer service i am not successful to find one solution i don t know why but something is not clear out there I have bought many times from Pritan's pride but this time i'm not happy of this

they have taken to two times the moneies from my visa card and then they have written via email that the transaction was be refused

for this I ask to the forum if someone can help me signaling one email inner Pritan's pride

I live in Europe so for me is much difficult one to communicate with Pritan's pride

thanks
