Hi Everyone,

I just found a fascinating article in Alternative Medicine magazine on alternative treatments for Hepatitis and other liver ailments –

<http://www.alchemistlab.com/Alchemist-article1.pdf>

Apparently this doctor has had amazing success in helping people with Hepatitis C. It appears from his website that he does case specific treatment with people all over the world, see –

<http://www.alchemistlab.com/consultation4.html>

I thought some of you might find it interesting.

Peace,  
Shaw
