<http://www.shoesbootjeans.com/hotproducts.html>I'm the first to claim

that I am a 'real man' but I have to admit a break from the football and the pub to try on a whole load of suits for my wedding was actually quite enjoyable– don't tell the lads! There is something quite enjoyable about pulling on a top class suit and strutting around like a Pratt. It is especially enjoyable if you sing the Reservoir Dogs theme tune in your head as you mince around. Dressing up and looking smart for an event is enjoyable and better still the girls love it. If you turn up looking like James Bond the women will find you irresistible. It's a scientific fact that women love a man in a suit and if you take the time to pick one that really looks great on you then you will reap the rewards. So how do you go about picking the best suit and at what occasions can you wear a hire suit?
