> *David Bowman, I confess that I have only been pretending to believe in synthetic telepathy and faster-than-light travel.*

That's okay; I've only been pretending to take you seriously

> *the National Security Agency and CIA are right when they say that Father Christmas really does exist, but that he is not St. Nicholas.*

Thanks so much for 'splaining that to me! Now, when I wander around the park waving my arms and talking to myself, I'll wrap aluminum foil on my head so no crazy thoughts come into my mind.  
After all, it worked for you!
