Hey cretin, this is a physics page in case you didn't notice. Go spout your venom on the neo–nazi pages, shithead. Maybe one day you end up in prison. There are going to be some people there that would like to take care of your sorry ass.

-----len=The problem is
Einstein twisted scientific knowledge to promote a certain agenda and political philosophy.

Perhaps if we understand his agenda, and his philosophy, hidden scientific facts will emerge.

There are thousands of doubters,that are not cultests emerging now, perhaps His political agenda will help them.
