Regards, Jan.

You did what was expected of a psychopatic imbecile, when presented with mathematical proof (which you can't even follow) , instead of ceasing and desisting, you continued.

Or instead of just **asking** about the parts he doesn't understand.

He has come to the only place where he can at least begin to find out what went wrong with his self-education, and what does he do?

But he probably set out with the intention to troll anyway.

I hope you colleagues are watching this thread , you should get treatment at an insane asylum.

His colleagues?

You mean the ones who know him as Jaco Verheij?
