His colleagues?
You mean the ones who know him as Jaco Verheij?

So, he's not dr. Jan Verheul , he's some bum named Jaco Verheij? Has he
been on this forum before? How have you unmasked him?

ISP check and 1 google search.
He posted from where he's currently attending a symposium.
His name is on the list of attendees:
<http://www.upsite.com/symposium/UserDelegates.html>
... and then a bit of verification to make sure there's
not a few hundred more occurrences of "Jan Verheul"
and/or "Jaco Verheij".

Ah, the dirty piece of shit. So, he got an email address

Re: Jan Verheul – cretin
