Re: Jan Verheul – cretin

been on this forum before? How have you unmasked him?

ISP check and 1 google search.

He posted from where he's currently attending a symposium.

His name is on the list of attendees:

<http://www.upsite.com/symposium/UserDelegates.html>

... and then a bit of verification to make sure there's not a few hundred more occurrences of "Jan Verheul" and/or "Jaco Verheij".

Dirk Vdm

Ah, the dirty piece of shit. So, he got an email address jan.verheul@.... just to :

- masquarade as a PhD
- smear another person

Jaco, you are a piece of SHIT.

bwoh... or just a nick name for Usenet – probably pretty harmless I guess.

I assume you're not a pencil manufacturer either? ;-)

Dirk Vdm

Yes, I am. Very sharp ones :-)
