So the slaves or free but it looks all good

brian largy a stae trooper got fired for shooting a black man but i never believed it wasnt sure if police profiling was making racism but those mugshots are pathetic and you cant make them look like frozen motion like politicians in the news or maybe you can now but if you cant get rid of them I was talking about the black man because he looks like god.Originally I thought getting rid of all of em so nobody would complain but anylyze this shit and fix the mess.I just made the observation.

I dont know how to fix anything really

maybe this is the last thing.I said thingy and smiled but I didnt care what my english looked like
