Well,
Jeckyl,
since you
say you
have proven
me wrong
so many

Re: Are there any civil anti-relativists?

times,
go
right ahead.

Why bother .. you are to
stupid to understand it. And
its been done
so
many
times .. there is little
entertainment value left in
it. Just take it
as
read that I have disproved
them, and then (as always)
you can just
ignore
it
and keep to your irrational
beliefs.

I am too stupid to understand?

Yes .. that was clear from your previous posts.

[snip more stupidity from ignorant rb]

Well, another scientist who does not want to discuss time. Who would
have thought it?

I have 'discussed' time, and many subjects, with you many many times before
.. you are simply too ignorant and stupid for there to be any worthwhile
goal in doing so .. why do you think I'd want to subject myself to the
frustration of trying to 'discuss' science again with an uneducated moron
like you who doesn't have a clue what he is talking about. I doubt anyone
else will be interesting in your misguided ramblings.

Well, as I said, when I was making errors, about half of the posts in
this newsgroup were directed at me. Now that I have defined $t'=t$, no
