please trust us ,have a good beginning

You can look at our Web site. If the products have taken the following  
product codes put, the size of shoes tell us, we help you identify the  
newspaper give you a price, because we are now in the development of new  
customers, so the price is very favourable, We hope that with you  
because of the long-term cooperation ... ..

Don't you just l-o-v-e machine translators??

Reminds of the time some software translated "hot dogs" to the German  
equivalent of "bitches in heat".
