Jahari posts something INTERESTING for a change! Too bad it's about 50 years too late! We Raelians have known for *years* that we were created by "God" AKA our alien creators who cloned us in their own image! Fo' real, only MORONS don't understand how this is possible! We could very well start our OWN civilisation on Mars, with our OWN Adam & Eve clones, where WE are now the Gods! THIS is how the Multiverse was populated and every "idea" anyone in this Universe ever had is taken from another Universe somewhere in the one true God's Multiverse, including all our fictional realities! Be afraid, be very afraid! The Multiverse is full of technology that makes our Universe look like Einstein had sex with Estelle Getty had sex with Al Gore inventing the internet!
