Your heads all fucked up Jeff. Get off the crack.

You don't know anything about energy do you ? >>

You do crack ? I don't.

I take nothing stronger than cigars...

No caffeine, no alcohol, no pills, etc.

I know a lot about energy and money T.J...

Just try to challenge me on those topics.

Did you see the reasoning that  
that Chechnyan guy gave for killing all those kids ?

He was just following the U.S.'s lead.

Do you remember why the U.S. bombed Hiroshima ?
